IN-TH002F1 transmitter IceSpy NP3000 Series

Part of the **Hanwell IceSpy** NP3000 series, the IN-TH002F1 is a temperature transmitter with an external thermistor probe with the option of a 1.5m or 3m cable for multiple applications across food, healthcare and pharmaceutical industries.

Features

- Vast range of units and sensors provide users with multiple temperature related applications
- \checkmark Superior performance hardware & high accuracy sensors
- \checkmark Easily accessible battery for replacement by the user, when required
- ✓ Transmitters incorporate a wall bracket
- ✓ Low power radio with long distance transmission
- ✓ Up to 2 year battery life (dependent on use)
- ✓ Complies with RoHS, EU & WEEE directives and carries UKCA and CE Marking
- ✓ Complies with BS EN 12830

Typical Applications

- Walk in fridges and freezers
- Freezers
- Food core temperatures

Always ask for a long-range signal strength test.

We can prove ours to be unrivalled.

Product code: IN-TH002F1

Instrumentation specification		Radio transmitter functions	
Dimension (Excl. ancillaries)	165 x 65 x 35mm (40 including mounting bracket)	Frequency options	433-434MHz.
		Radio power	10mW, duty cycle <0.1%
Weight	150 grams (including battery)	Radio range	300m over open ground
Power supply	1 x 1.5V AA Lithium battery	Nominal transmit interval	1 minute
Battery life	Up to 2 years (dependent on conditions of use	Software required	W900 – Standard EMS Software Package W906 – Validated EMS Software Package
Memory capacity	On board logging capability for 5 days		*See EMS datasheet for further options
Nominal logging interval	10 minutes	Hardware required	IN-NR001F1 - Hanwell IceSpy Network Receiver
Case material	ABS		IN-RP001F1 - Hanwell IceSpy Repeater (Repeater only required in special circumstances which would be discussed with you following your Signal Strength Test)
IP Rating	IP65		
System accuracy	+/-0.5°C		
Instrument measuring range	-40°C to +100°C		
Instrument operating range	-30°C to +50°C	Product codes	
Instrument storage	-40°C to +85°C	G301	AA Lithium battery
temperature		G301-4	AA 1.5V Lithium Battery pack of 4
Resolution	0.1°C		
Long term drift	< 0.1°C per year		

Manufactured by Hanwell | Ellab

Version 7 - EC210035
