

WEEE Declaration of Conformity

23 April 2025

Ellab A/S hereby declares that all products supplied after **February 1st, 2003**, comply with the requirements of **Directive 2012/19/EU** on Waste Electrical and Electronic Equipment (**WEEE**).

All Ellab products that must be recycled or handled separately are marked with the **WEEE symbol** in accordance with the directive.

In addition, Ellab A/S accepts scrapped equipment from customers and ensures proper sorting for environmentally responsible disposal. Defective equipment returned to Ellab A/S for service may also be scrapped in accordance with the directive. However, it is not permitted to ship waste products across national borders for disposal purposes.

Ellab distributors are obliged to register WEEE in accordance with their **national legislation**, which may also require them to accept scrapped equipment from end users and dispose of it in compliance with local laws.

This **Declaration of Conformity** is issued under the sole responsibility of the manufacturer, pursuant to **ISO/IEC 17050-1 and ISO/IEC 17050-2**. It does not affect the supplier's warranty obligations.

Ellab A/S reserves the right to exceed the applicable standards as part of its continuous product development efforts.
